

CAREER PLANNING IDEAS FOR 1st YEAR STUDENTS

- ☐ Get involved with interesting campus activities. Join clubs, sign up for leadership, residence and off-campus programs and don't forget... there are a lot of exciting opportunities in your faculty!
- ☐ Volunteer! Check out Western's Volunteer Program and other volunteer opportunities on and off campus.
- ☐ Research programs/majors... read about courses, visit department websites and course outlines, you can even get a preview of what you will be learning by looking through textbooks in the bookstore.
- ☐ Find out what services are offered at Social Science Career Services.
- ☐ Talk with a Career Counsellor. Explore your interests, skills, personality and values.
- ☐ Learn about Internships and Service Learning opportunities. Where in the world would you like to go?
- ☐ Update your high school resume. Get ready for your summer job search. Social Science Career Services has drop-in times for resume and cover letter help.
- ☐ Check out our websites: www.ssc.uwo.ca/careers and www.career.uwo.ca. Plus sign on to CareerCentral for jobs and career events. You will find loads of online resources to help you explore your career possibilities.
- ☐ Do your best with your course work and access help when you need it. Western has many resources to help you!
